

A RESOLUTION**BY: COUNCILMEMBER DERRICK BOAZMAN**

A RESOLUTION AUTHORIZING THE MAYOR OR HER DESIGNEE TO CONDUCT A TRAFFIC STUDY ALONG THE METROPOLITAN PARKWAY AND CLEVELAND AVENUE CORRIDORS FROM CASPLAN AVENUE SOUTH TO THE HAPEVILLE CITY LIMITS AND FROM OLD HAPEVILLE ROAD TO THE EAST POINT CITY LIMITS RESPECTIVELY; AND FOR OTHER PURPOSES.

WHEREAS, there is a large volume of pedestrian and vehicular traffic along the Metropolitan Parkway and Cleveland Avenue Corridors; and

WHEREAS, a number of traffic injuries and fatalities have occurred recently along the Metropolitan Parkway corridor between Casplan Avenue and the Hapeville City Limits, including fatalities at the intersections with Fair Street and Interstate 285 and in front of the Santa Fe Villa, and

WHEREAS, a number of traffic injuries and fatalities have occurred recently along the Cleveland Avenue corridor between Beeler Street and Metropolitan Parkway, including fatalities in front of the K-Max-t Shopping Plaza; and

WHEREAS, the use of traffic calming measures may improve both pedestrian and vehicular traffic along these corridors; and

WHEREAS, a traffic study to determine the number and type of traffic calming measures that may be available to improve traffic along this corridor is needed.

NOW, THEREFOR, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ATLANTA, GEORGIA as follows;

Section 1: that the Mayor or her designee is hereby authorized to conduct a Traffic Study along the Metropolitan Parkway and Cleveland Avenue corridors From Casplan Avenue South to the Hapeville City Limits and from Old Hapeville Road to the East Point City Limits respectively to determine the number and type of traffic calming measures to be used to improve traffic along these corridors.
